

**Camden County Library District
Policy Manual**

Section 1. Employees

Subsection 40. Software Copying Policy

The library licenses the use of software from outside companies but does not own software or its related documentation and, unless authorized by the software's owner, does not have the right to reproduce it. Employees shall use the software only in accordance with the software publisher's license agreement. Employees learning of any misuse of software within the Library District must notify the IT Analyst. Illegal reproduction of software can be subject to damages and criminal penalties. Employees who make, acquire, or use unauthorized copies of software may be disciplined as appropriate.
