

**Camden County Library District  
Policy Manual**

**Section 2. Operating Policies**

**Subsection 11. Unattended Children**

Children under age 10 may not be left unattended on library property. Any child of preschool age must be within eyesight of a parent, guardian, or caregiver. Parents or caregivers must be aware of and monitor children's behavior.

Any minor visiting the library without a parent, guardian, or caregiver must behave in an appropriate manner. Children who misbehave will be asked to leave. The child or a library staff member will call the parent, guardian, or caregiver to come and get them.

Police or Family Services will be called to pick up any minor who has not been picked up by closing time.

The library is not a child care facility, and library staff members are not babysitters. The library assumes no liability for unattended children.
