

Camden County Library District Policy Manual

Section 2. Operating Policies

Subsection 23. 3D Printing Policy

The Camden County Library District makes available 3D printers for patron and staff use. Cost of the printing is limited to the cost of materials and is listed in Section 2. Subsection 1. Loan Periods, Renewals, and Replacement Fees table. Weapons, weapons parts, or other destructive items may not be printed due to insurance liability and the restriction of weapons on library property. All items printed are at your own risk. The library assumes no liability for items printed. Items printed should be considered as prototypes and are not for hard use. The library does not charge for aborted printouts or manufacturing defects.

Approved July 15, 2022.
