To what in the book do you object? (Please be specific) alternative sexualities
sexual activities; sexual nudity; profanity and
derogatory term; violence including self harm; and

What do you feel might be the result of reading this controversial religious

recommend it to anyone

Not in my Opinion

Are you aware of the judgment of this book by literary critics? Most literary critics are liberals and their opinion is unimportant to me. Children should not be provided adult content.

What do you believe is the theme of this book? Its about a teenage boy scout 13-14 years old its meant to attract readers who have read diary of a whimpy kid. Its meant to attract children to pick it up. Its meant to elicit seksual responses from children.

What would you like the library to do about this book?

Do not lend it to my child

Withdraw it from all readers as well as my child

Send it back to the staff selection official for re-evaluation

In its place, what book of equal library-quality would you recommend that would convey as valuable a picture and perspective of the subject related?

I don't believe this book is library quality nor do I believe it conveys any sort of valuable picture or perspective and the subject matter is awful!

Flamer is about a teenage Boy Scout who is 13-14. It's meant to attract young readers who have read The Diary of a Wimpy Kid. It's meant to attract children to pick it up. It's meant to elicit sexual responses from children. This book actually admits how harmful porn is to the development of children. Do you not see how this book is child porn?

Examples:

Page 14: "Hey, Navarro, suck any good d****lately?"

Page 77: "I don't want you homos lookin' at my ass."

Page 86: Father Danilo said I should consider the priesthood, but...I want to have sex. Someday, when I'm married, I want to know what it feels like. I wonder if priests jerk off."

Page 121: "My d*** gets so hard thinking about her sometimes that I think it's gonna rip right through my jeans..."

Page 131: "We're each busting a load into this bottle. If you don't cum, you have to drink it."

Page 132: "I came across a video tape hidden behind the TV...I could see...everything. People were doing things that I didn't even know were possible, or even...allowed."

"Why is there so much hair?"

"Those d**** are so...BIG."

Page 133: "I started watching my dad's porn...a lot...while I was naked. And eventually, I stumbled upon...a surprise sensation. It felt good, but then I felt really guilty about it. I knew watching porn...had to be a sin. And now here I am in this tent full of people jerking off."

Page	Content
14	"Hey, Navarro, suck any good dicks lately? Hahahahaha"
22	"What's wrong, Navarro? I thought you like a big sausage in your mouth! Haha!" The illustration on the middle of the page depicts a young teenage boy with a hotdog on a stick balanced between his legs. Three other boys are watching him, laughing.
23	The illustration on this page depicts the young teenager described above, standing behind another young teenage boy whom is bent over with a hot dog bun opened behind his buttocks. The teenage standing up with the hotdog on a stick is saying, "Okay, who wants my hot weiner?" The other boy is saying, "Oh, yeah, baby, slide it right into my buns." <i>See Figure 1.</i>
26	Usually his bark is worse than his bite, but one time he was so mad at my little brother, he went to hit him... ...but mom stepped in between them.
40	We're canoeing out to Frying Pan Island, which supposedly looks like a frying pan, but we're all certain it looks like a cock and balls.
45	"Okay, Flaming Arrows, let's set up camp. Everyone pitch your tents." "You're making me pitch one right now, hot stuff." "Why, thank you, Jones. Just for that, your sweet ass is on K.P. tonight."
69	"Yes...uh...why are you dressed like a girl?" "I just think women's fashion is more interesting. And EXCUSE ME, but this is my fantasy, so don't worry about it..." The illustration on this page depicts the main character, whom is a male, dressed in a princess outfit with a tiara and ball gown, speaking to a knight in armor.
74	And what if someone thinks my penis is small? I mean, it's not microscopic, but there's the age-old shrinkage dilemma... Even worse than someone seeing me naked is me seeing others naked. It's so...scary.
75	The illustration on this page depicts several men showering along side one another. The main character is in the background with his underpants on, looking toward the other young men showering.
76	The illustration on the top-left-side of the page depicts the main character, a young man, standing in a frontal view in his boxer shorts. There is an older naked male walking in a profile view. The illustration on the top-right-side of the page depicts the same individuals described above. The male walking is shown in profile with his buttocks exposed. The illustration on the bottom-left-side of the page depicts the main character standing behind a naked young man. The main character has his hands up near his face as the young man in front of him is bent over saying, "ooooooooops! I dropped the soap. Don't get any ideas, boys!"

Page	Content
77	<p>"What, are you trying to get Jones pregnant?" ... "Hey, Navaro, when are you gonna strut your stuff? You've been teasing us for weeks! Haha!" "what is this, a peep show?" ... "I don't want you homos lookin' at my ass."</p>
80	<p>The illustration on this page depicts the main character kneeling in a profile view with "x's" over his eyes and his hands clasped together. He is kneeling in front of another young man whom is naked in the shower.</p>
81	<p>oh no!!! I'm getting a...boner!?!?</p> <p>The illustration on the middle of the page depicts the main characts bent over holding his back with a mortified look on his face. He is walking away from another young man whom is depicted from the backside and is nude in the shower. Part of the young man's exposed buttocks is depicted.</p>
86	<p>Father Danilo said I should consider the priesthood, but I don't think I'm holy enough to be a priest. Also...I want to have sex. Someday, when I'm married. I want to know what it feels like. I wonder if priests jerk off.</p>
96	<p>The illustration on this page depicts a young man taking a shower in a three-quarters view.</p>
105	<p>"Enjoy eating your hot dog. You probably love eating dog. Hahaha!"</p>
106	<p>"Hey, FATASS, pack any fudge lately?"</p>
107	<p>"Sure, Doughboy. I'll leave you alone once you stop being such a gay fat fuck! HMMM-HMMM!"</p>
118	<p>"Oh, yeah? She have a nice ass?" ... "Okay. How's her rack? Is she stacked?"</p>
119	<p>"Hmmm...no, not really. But...if I were a girl..." "I would like Elias."</p>
120	<p>"Haha- that's not LOVE, that's called a BONER! Haha!"</p>
121	<p>"Hahaha- it's true. My dick gets so hard thinking about her sometimes that I think it's gonna rip right through my jeans..."</p>
122	<p>"Oh, sorry, I didn't know that you and mister Miyagi were an item. Have fun suckin' each other's dicks, ladies."</p>
125	<p>I know I'm not gay. Gay boys like other boys. I HATE boys. They're mean, and scary, and they're always destroying something or saying something dumb or both. We learned at school how bad homosexuality is. It's a sin. Gay people do bad things. And I'm not a bad person. I try to do good. All the time. So I couldn't be gay.</p>
131	<p>The illustration on the top of the page depicts the main character sitting on the floor of a tent. There are two pairs of legs hanging off the edge of beds on either side of him. The legs are bare and one pair of legs has a pair of pants pooled on the floor around their ankles. The text on the image reads: Uh-Oh...I think I figured out what "takin' care of</p>

Page	Content
	<p>business" means.</p> <p>"We're each busting a load into this bottle. If you don't cum, you have to drink it! Hahahaha!"</p> <p>"Gimme that! I'll show you."</p> <p>The illustration on the bottom-right-side of the page depicts the main character, wide-eyed, sitting on the floor with his knees to his chest and his arms crossed over them. In the foreground, there is part of an exposed buttock as the boy is pulling his pants down while facing the main character.</p> <p><i>See Figure 2.</i></p>
132	<p>I learned about masturbation two years ago. Kind of by accident. Nobody ever told me what it was. One day when everyone was out of the house, I came across a video tape hidden behind the TV. My dad had hidden movies before with dirty scenes, like fatal attraction. It was exciting to see boobs and butts. But this time, it was different. I could see...everything. People were doing things that I didn't even know were possible, or even...allowed?</p> <p>"Why is there so much hair?"</p> <p>"Those dicks are so...BIG."</p> <p>The illustration on this page depicts the main character facing a small TV set with a remote control in his hand.</p>
133	<p>I started watching my dad's porn...a lot...while I was naked. And eventually, I stumbled upon... ...a surprise sensation.</p> <p>It felt good, but then I felt really guilty about it. I knew watching porn was against the rules, so this new feeling had to be a sin. And now here I am in this tent full of people jerking off, and I feel like I'm in moral danger.</p>
135	<p>The illustration on the bottom-left-side of the page depicts a boy laying in bed in a zoomed in view of his waist. His left hand is lifting up the blanket covering his bottom-half. His right hand is under the covers near his groin.</p> <p>The text on the image reads: But I feel so...excited...</p> <p><i>See Figure 3.</i></p>
150	<p>"What are you looking at queerbo?"</p>
151	<p>Pecs. Shoulders. Calves. Biceps. Abs.</p> <p>The illustration on the bottom-right-side of the page depicts a zoomed in view of a boys waist and thighs.</p> <p>The text on the image reads: And..."Lunch!!!"</p>
174	<p>"Why do you always have to be a GIRL?"</p> <p>..."I HAVE, TOO! Which is more than I can say for you, BALD-NUTS."</p>
207	<p>"YOU'RE THE FAGGOT!!! YOU'RE THE FUDGE-PACKING FAIRY COCKSUCKING QUEER PANSY FAGGOT!!!"</p>

Page	Content
252	The illustration on the middle-right-side of the page depicts a young man from the chest upward. His arms are bound with rope and he has blood and tears running down his face.
281	Too short. Too fat. Not MAN enough. Not WHITE enough. Not STRAIGHT enough. I'll never be safe ANYWHERE.
306	The illustration on this page depicts an arm and hand with the fist clenched with the bottom facing upward. There is another hand lightly pressing a knife to the wrist. <i>See Figure 4.</i>
364	However, there were experiences I had during my time in the Boy Scouts that were very hard as a closeted kid. Over the years, the Boy Scouts have become more inclusive of sexual orientation and gender thanks to people in and out of scouting who made their voices heard. But when I was a kid, it was not okay to be gay. ...Though scout bylaws have become more inclusive, homophobia still exists in many troops today, because homophobia is nationally and internationally a systemic issue. ...Also like Aiden, I once kneeled in a camp chapel with a knife against my wrist.
